INTRODUCING

XSR155

XSR LEGACY

A new motorcycling experience with roots in Yamaha's timeless classics. The concept is based on the Japanese proverb on-ko-chi-shin, meaning to "study the old to better learn the new." We call it 'Retro Sport'.

'Retro Sport' mates authentic Yamaha classic design with the most advanced technology and performance. When you ride the XSR 155, you inherit the legacy of classic Yamaha models like RX100 and RD 350, while creating a new path ahead or yourself.

AGILITY ENGINEERED FOR EVERY RIDE

The Yamaha XSR155 combines classic style with agile performance. Its lightweight Deltabox frame ensures confident handling and control.

With upright ergonomics, premium suspension, and 17-inch alloy wheels, it delivers a smooth and responsive ride.

OWN EVERY JOURNEY.
